PROJECTS RESULTS

The main activities of the project are defined in two main Project Results:

PROJECT RESULT 1: ADAPTED CURRICULUM AND TRAINING MATERIALS FOR YOUTHS WITH INTELLECTUAL DISABILITIES (READY TO USE)

It includes:

- The **compendium** of existing educational material and good practices in financial education and sustainable finance.
- The definition of **online learning objectives** with EU instruments for young people with mild intellectual disabilities.
- The development of the existing curriculum and training material adapted to people with intellectual disabilities.

PROJECT RESULT 2: COMMUNITY OF GOOD PRACTICES (ONGOING)

It consists of:

- Contact and create a community with as many people as possible interested in this topic.
- Create and select the best platform to host the community contents and communication tools and start sharing it.

What is the **#DisFinLitCommunity**?

The purpose of the #DisFinLitCommunity is to create a platform that brings together stakeholders from all EU countries, and related fields to promote sustainable financial literacy for people with disabilities.

How to become a **member**?

The community aims to involve as many stakeholders as possible who are interested in the subject matter and are related to the target group.

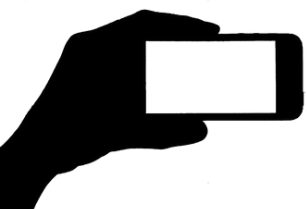

Be part of **#DisFinLitCommunity** with professionals passionate about sustainability and interested in incorporating sustainable financial education into their teaching practices.
