VET4NAI

Facilitating integration of newly arrived immigrants into labour market trough adapted vocational/labour market guidance

27 June 2024

VET for NAI – Successful LTTA Event for VET4NAI Project in Larissa, Greece

The LTTA (Learning, Teaching, Training Activity) event for the VET4NAI project was successfully held on June 3-4, 2024, at DIMITRA Education & Consulting Headquarters in Larissa. This event marked a significant milestone in the project, fostering the exchange of knowledge, experiences, and cooperation among participants from various partner countries.
The two-day event featured a variety of activities designed to enhance vocational guidance and support for newly arrived immigrants. Highlights of the event included interactive sessions that introduced participants to the VET4NAI project, team-building exercises, and hands-on workshops. These activities provided practical tools and strategies for career guidance and counseling, enhancing participants' skills in supporting vocational development.

Expert-led training sessions covered key aspects of the project's curriculum, ensuring that attendees gained comprehensive knowledge. Additionally, practical sessions focused on motivational strategies and building supportive networks essential for vocational guidance.

The event concluded with an overview of the upcoming pilot phase, offering strategic approaches for implementing the tools and techniques learned. Participants left equipped with valuable insights and practical strategies to apply in their respective regions, enhancing their ability to support newly arrived immigrants effectively.
